

# Paper progression

## Implementation guide 7

Paper progression report 2009/10  Paper: P2	Students originally registered	Students leaving course within first three sessions (20% of course)*1	Remaining student cohort committed to course	Further attrition of students up till the end of the course	Student cohort at the end of the examination	Students sitting the examination	Student attrition between end of course and examination
	24	3	21	4	17	15	2
				Name of students and reasons for leaving			Name of students and reasons for not sitting

\*1 It is expected that there will be a natural attrition of students realising at an early point that the course/module they have selected is not for them. This is not so much a reflection on the learning provision as in the choice of area of study.
