Join ACCA and other local business professionals for an evening with Steve Nevey.

Steve has spent 22 years in the high-octane world of Formula 1 motor racing, working with Footwork Arrows, Stewart Grand Prix, Jaguar Racing and Red Bull Racing. He has seen the Red Bull Racing team develop from its humble beginnings to become Formula 1 World Champions in 2010 and then again in 2011; a true “rags to riches” story. Steve is passionate about the intense technology challenges that underpin Formula 1, insisting that it is very representative of the broader environment of product design and manufacturing. This is your chance to hear Steve draw some interesting and insightful comparisons between the worlds of Formula 1 and more conventional business.

The evening is an ideal opportunity for you to network and enhance your local business connections while enjoying a delicious two course meal at one of Bristol’s finest dining establishments.
