Presentation:

Only 50% of CFOs see the shift to digital as a high priority for their organization. Where are you in this shift?

Digital is fundamentally changing how companies do business. By understanding an organization’s digital maturity, identifying the digital priorities and creating a holistic and strategic approach to their current financial framework, CFOs can get the best return on their digital investment.

- Overview of the 2015-16 EY Digital State of the Nation Report
- Where does Australia stand in the Digital landscape?
- What Sectors are meeting Customer Expectations and which sectors are lagging?
- What are the Key Trends and Risks for CFO’s
- How are you measuring success in digital channels?

We have a number of positions available on the NSW committee and so are seeking enthusiastic members and students to represent CIMA in NSW. Please fill in the nomination form on page 2 and forward to CIMA Australasia before the registration closing date.

Speaker: Tom Kennedy – Partner, Advisory | Telecommunication Media Technology | Digital, EY

As EY Digital Partner in Oceania, Tom has over 25 years’ experience in digital media, broadcasting, content and technology markets. He has founded and led several leading digital companies, working at the intersection of content, innovation and technology.
