

Special needs

CIMA welcomes entries from students with disabilities or special needs and is able to provide additional help or concessions, such as extra exam time, as appropriate to individual needs.

Special needs applications

If you have a special need, you should enter the exams online in the usual way and then notify the examinations and assessment department by sending an email to exams.consideration@cimaglobal.com.

All requests for special needs provision must be accompanied by supporting medical or professional documentation, which should be sent to the examinations and assessment department at the following address:
