

## Tuition Providers in Botswana

The CIMA accreditation scheme aids students in finding the right tuition provider. The tuition providers within the scheme have been assessed by CIMA against a set of global quality standards and have been awarded with designations based on the standards met across criteria such as delivering quality courses, supporting students and providing ongoing support to help them develop.

There are three levels within the **CIMA Global learning scheme**:  
Learning Partner, Advanced Partner and Premium Partner

### Premium Partner

This is the highest level of accreditation awarded. Tuition providers with a Premium Partner status offer the very best in CIMA tuition, having been through a rigorous assessment and quality assurance process.

### Advanced Partner

Tuition providers with an Advanced Partner status have proven they meet the global standards for tuition at this level which means you can expect a high standard of teaching and support. Studying with a CIMA Global Learning Advanced Partner will get your studies off to a great start.

### Learning Partner

Global Learning Partners have been successfully assessed against CIMA's global standards for tuition at which means you are studying with a provider who is working in partnership with CIMA towards the provision of the best levels of tuition and support for their students.

## Tuition Providers in Swaziland

The CIMA accreditation scheme aids students in finding the right tuition provider. The tuition providers within the scheme have been assessed by CIMA against a set of global quality standards and have been awarded with designations based on the standards met across criteria such as delivering quality courses, supporting students and providing ongoing support to help them develop.

There are three levels within the **CIMA Global learning scheme**:  
Learning Partner, Advanced Partner and Premium Partner

### Premium Partner

This is the highest level of accreditation awarded. Tuition providers with a Premium Partner status offer the very best in CIMA tuition, having been through a rigorous assessment and quality assurance process.

### Advanced Partner

Tuition providers with an Advanced Partner status have proven they meet the global standards for tuition at this level which means you can expect a high standard of teaching and support. Studying with a CIMA Global Learning Advanced Partner will get your studies off to a great start.

### Learning Partner

Global Learning Partners have been successfully assessed against CIMA's global standards for tuition at which means you are studying with a provider who is working in partnership with CIMA towards the provision of the best levels of tuition and support for their students.
