20. The period of office of an elected member of the Council shall be three years, from the close of the Annual General Meeting immediately following his election until the close of the Annual General Meeting three years later, provided that the Council may fix a shorter period in any particular case, before or after such member takes office, for the purpose of securing appropriate rotation on the Council.

21. The period of office of a co-opted member of the Council shall be three years or such shorter period determined by the Council in any particular case.

(d) of an annual fixed sum to the business for which the President works at the time of his Presidency to compensate (in part or in full) such business for the increased costs associated with continuity cover during that period; or
(e) made in respect of the relief of poverty and distress.

25. A payment made under Bye-law 24 (b) above shall be authorised by a resolution of the Council passed at a meeting where the member to receive payment has declared his interest and has withdrawn from any discussion relating to such payment and from voting on the resolution in question.

26. The Institute or related companies may make payments to a company or other entity in which a member of the Council has an interest in return for goods or services supplied by that company or other entity to the Institute or related companies, provided that in any case where the interest of the member of the Council is considered by the Council to be significant or substantial, the proposed supply and payment shall be authorised by a resolution of the Council passed at a meeting where the member with the interest has declared it and has withdrawn from any discussion relating to such supply and payment and from voting on the resolution in question.

BYE-LAWS

after the 2020/21 Governance Year, shall be eligible for election and re-election provided that a member of Council shall not be eligible for election or re-election if they have served (or their re-election will result in them having served) on the Council for more than 9 Governance Years in a 15 consecutive Governance Years period. Such 15 consecutive Governance years period shall commence on the first day of the Governance Year in which the member is first elected as a member on the Council. Except for those members who have served as an Honorary Officer, on every 15th Governance Years anniversary of the member’s first appointment to the Council, a new 15 consecutive Governance Years period shall begin making a member eligible to serve on the Council for up to 9 Governance Years during the 15 consecutive Governance Years period.

29. Casual vacancies among elected members shall be filled at the next election and the member then elected shall continue until the date when the membership of his predecessor would normally have ceased.

Regulations

30. Regulations shall be made by resolution of the Council, and, subject to Bye-law 32 below, may make provision in respect of any matter related to the affairs of the Institute and its Members and Registered Students.

31. These Bye-laws shall include a power to make or approve Regulations pursuant to and consistent with the Bye-laws and to delegate the power to make or approve such Regulations.

32. The Council shall not make, amend or revoke a Regulation governing:
   (a) the levying of subscriptions or subscription rates,
   (b) the rights of Members in relation to General Meetings of the Institute, or
   (c) the rights of Members to participate in any form of ballot of the membership without submitting such proposed regulation or amendment or revocation to the Members in General Meeting in a Special Resolution or to a postal or electronic ballot of the Members requiring the same majority as a Special Resolution.

Chief Executive

33. The Council shall appoint the Chief Executive and determine his terms of employment. The Chief Executive shall appoint other employees and may delegate this power.

Indemnity

34. The members of the Council, the members of committees and boards of the Institute, the trustees of the charities of the Institute the employees of, secondees and consultants to the Institute and such other persons as shall be determined to be indemnified persons by the Council (‘the indemnified persons’) are indemnified by the Institute, by virtue of this Bye-law and irrespective of (a) whether such indemnity is or is not conferred in a contract or other document and (b) any indemnity to which they are otherwise entitled, against any loss or expense incurred by them in the course of the discharge in good faith of their duties on behalf of the Institute, unless such loss or expense arises from their own wilful default.

35. None of the indemnified persons shall, by virtue of being a member of the Council or of a committee or body of trustees or by virtue of an act of conformity, be joined in liability where another indemnified person incurs a loss or expense through an act or omission committed through his own wilful default.
Registered Students

36. (a) Subject to Regulations, persons seeking to qualify themselves for membership of the Institute may be registered as Students of the Institute, and shall if so registered be subject to the Laws of the Institute.

(b) A Registered Student’s registration with the Institute shall be terminated where a sanction of cancellation of registration has been applied for misconduct (including where such action has been recommended by an organisation set up in cooperation with the Institute acting in pursuance of Article 4(d) of the Charter).

39. The Council may invest monies of the Institute not immediately required for its purposes in or upon such investments, securities or property as the Council may determine, and may appoint and delegate investment management functions to an investment manager or managers, who are proper and competent persons or companies with, in the case of an individual, at least 15 years’ relevant experience, and who are permitted to act in such capacity under UK legislation.

40. The Council shall provide for the proper keeping and publication of accounts after the end of each financial year. The Council shall provide, in Regulations or otherwise, the terms on which such annual accounts shall be made available (whether in hard copy or electronically) to members of Council and Members.

41. Auditors shall be appointed by the Members in General Meeting, and shall hold office and have functions as specified in Regulations. No person or entity or undertaking shall be appointed as an Auditor who is (or whose members, directors or partners are) a member of the Council or an employee of the Institute.

Notices

42. A notice or other document may be given to a Member electronically or by hand or sent by courier or by post to the Member’s registered address. 43. Subject to Regulations, the Chief Executive shall have responsibility for the safe custody and proper use of the Seal of the Institute and shall have power to delegate such responsibilities to such person(s) as he determines in his discretion.
PART I — Membership and Examinations

Membership requirements

1. To be admitted as an Associate, a person must be either

   (a) an Affiliate or Registered Student with a minimum of three years’ practical experience in management accountancy, who has passed, or is exempt from, such examinations or other tests as are prescribed for this purpose in or under the Regulations; or

   (b) a member of an accountancy membership body with which the Institute has an agreement for the mutual admission of members, excluding any such member of such body whose membership of such body has been obtained solely by virtue of a similar agreement between such body and another accountancy body; or

   (c) be proposed by Council through such processes as it determines.

2. To be admitted as a Fellow, a person must be an Associate, an Affiliate, a Registered Student, or a person described in 1(b) or 1(c) above

   (a) who has passed, or is exempt from, such examinations or other tests as are prescribed for this purpose in or under the Regulations; and

   (b) who is in good standing (which shall mean such person does not owe any sums to the Institute and has not been the subject of an adverse conduct finding or in breach of these Regulations or other rules made pursuant thereto); and

   (c) who:

      (i) holds an accounting qualification recognised by the International Federation of Accountants, and has had a minimum of three years’ practical experience (in addition to the three years referred to in 1(a) above) at a senior level; or

      (ii) has been an Associate of the Institute in good standing for a minimum of ten full years, whether consecutive or accrued over a period of more than ten years and is recommended in writing by a Fellow.

Applications

3. All applications for admission to membership shall be made in the form prescribed from time to time by or on behalf of the Council and shall include an undertaking by each applicant that he will, if admitted, and so long as he is a Member, duly observe the Laws of the Institute.

4. In the case of an applicant who had previously been a Member and whose membership has ceased, the Council may readmit him to membership either unconditionally or subject to conditions.

Fees and Subscriptions

5. Applicants for membership shall pay an application fee. If admitted, they shall pay the relevant subscription within two months (or four months in the case of an applicant resident outside the European Union). If the subscription is not paid within the time specified in this Regulation the admission shall be cancelled.

6. The due date for payment of Members’ annual subscription is 1 January. The membership of a Member who does not pay their annual subscription renewal by 31 March may be
terminated. In the case of a newly admitted Member the subscription shall be due on the date of admission and shall be net of any sum already paid as a Registered Student for that year. Where admission occurs on or after 1 October in any year the Member shall not be required to pay any further subscription in respect of that year.

7. The application fees and annual subscriptions for membership shall be determined by ordinary resolution of the Members in General Meeting provided that the Council shall have discretion:

(a) to vary the method by which fees are collected;
(b) to authorise the collection of fees in currencies other than GB Pounds; and
(c) to reduce the subscriptions payable by Members or specified groups of Members.

8. At the discretion of the Council, a Member who has been such for at least 20 years and who notifies the Institute that he has permanently retired from paid activity may be offered the option, either:

(a) to pay a reduced subscription whilst retaining all the rights and benefits of membership; or
(b) to pay no further subscription but to retain no rights and benefits of membership other than the rights to use his designatory letters and to attend and vote at General Meetings.

9. The Council may in the case of ill health, misfortune, or on other grounds in their opinion sufficient, waive or reduce the annual subscriptions and arrears, if any, of any Member.

**Members in Practice**

11. The names of all Members in Practice shall be entered in a register maintained for the purpose. Any Member found to be providing accounting services to clients whilst not registered as a Member in Practice may be liable to disciplinary action by the Institute.

12. All matters relating to Members in Practice shall be set out in applicable protocols, policies and procedures.

**CIMA Professional Development**

13. CIMA Professional Development (‘CPD’) is a mandatory condition of membership of the Institute. Members must comply with CIMA’s guidance on CPD (the CPD Guidelines) in force from time to time.

14. CPD compliance is based on trust and while CIMA offers support to members, it is the responsibility of members to assess their development goals and needs, select the most appropriate activities, and design their CPD programmes in accordance with the CPD Guidelines.

15. A sample of members’ CPD records will be selected each year for verification. This selection may be weighted to include an appropriate proportion of members having high levels of responsibility, including direct contact with the public.

16. Members selected for monitoring will be asked to demonstrate that they have undertaken the CPD relevant to their role, and will be required to provide their records by a date specified by the Institute (the specified date).

17. The Institute may grant an extension of time for compliance with the CPD requirements under this part of the Regulations (the CPD requirements) or waive the requirement for monitoring and/or require such further evidence of compliance from members as it sees fit.
18. By renewing their Membership each year members thereby declare that they have undertaken CPD in accordance with the CPD requirements. Any member who is found to have made a false declaration in any application for renewal may in addition to any action taken under Regulation 18A below be referred to the Institute’s Investigation Committee for consideration of further disciplinary action. A record of non-compliant members will be kept that is publicly available.

18A. Any member who fails to provide adequate records of CPD undertaken in accordance with the CPD requirements by the specified date will be subject to the following disciplinary action (the Fixed Penalty Scheme):

i. for a first CPD breach, a fixed penalty of £100 or local equivalent;

ii. for a second CPD breach, a fixed penalty of £250 or local equivalent and a reprimand;

iii. for a third CPD breach, referral to the Institute’s Disciplinary Committee for consideration of further disciplinary action;

iv. failure to pay any fixed penalty under the Fixed Penalty Scheme within 56 days of the date of sending the demand for payment to the member will result in referral to CIMA’s Disciplinary Committee for consideration of further disciplinary action.

Duty to notify

19. A Member or Registered Student who (wherever located in the world):

(a) sustains a disciplinary sanction before any body or tribunal;

(b) is found guilty of an offence by any court;

(c) is declared bankrupt or made subject to a bankruptcy restrictions order or undertaking (or equivalent in the jurisdiction in which they are located);

(d) enters into an individual or company voluntary arrangement with creditors or is subject to a debt relief order (or equivalent in the jurisdiction in which they are located); or

(e) is disqualified from acting, or gives an undertaking not to act, as a director or trustee shall notify the Institute, with relevant details, within 30 days of the event in question.

Examinations

20. The Council shall cause to be held an examination or examinations for candidates seeking to qualify for membership, in such subjects and in such manner and subject to such conditions set out in applicable protocols, policies and procedures.

Registered Students

21. The names and addresses of Registered Students shall be entered in an official register maintained for the purpose and Registered Students shall provide details of their employment status, and if employed the name and address of their employer, and shall notify the Institute of any change.

22. All other matters relating to Registered Students shall be provided for in applicable protocols, policies and procedures.

23. Student Registration shall not confer any membership rights nor entitle a person so registered to claim any form of membership of the Institute or of a Branch of the Institute. A Student may, however, join any Students’ Society attached to a Branch, and participate in Branch activities.

Affiliates

24. Persons who have passed such examinations or other tests of knowledge or experience as may in each case be specified in or under these Regulations (or pursuant to such Regulations, having been exempted therefrom) may be registered as Affiliates by resolution of the Council.
PART II – Discipline

Appointment of conduct committees

1. In accordance with guidance provided from time to time by the Council, the Appointments Committee shall appoint the Chairman, one or more Vice Chairmen and other members of an Investigation Committee, a Disciplinary Committee and an Appeal Committee (‘conduct committees’). The Appointments Committee may exercise its powers under this Regulation from time to time and shall ensure that:

(a) no member of Council shall be appointed to a conduct committee;
(b) no person shall simultaneously be a member of more than one conduct committee;
(c) the Chairman and Vice Chairmen (if more than one) of the Appeal Committee shall hold a legal qualification satisfactory to the Appointments Committee.

1A. At any meeting or hearing of the conduct committees, the members of the committee at that meeting or hearing may nominate from amongst the members who are present a lay person to chair that meeting or hearing, providing always that such meetings or hearings are quorate.

2. A member of a conduct committee shall serve for such period as may be determined by the Appointments Committee, and may be removed by the Appointments Committee at any time on reasonable grounds. The Council may from time to time approve arrangements for the payment of fees or remuneration to persons appointed to the conduct committees.

Meetings of conduct committees

3. A member of a conduct committee may not participate in the consideration of any case in which he has personal knowledge of or a connection with the respondent or complainant

(except when sitting as a member of the Disciplinary Committee reconvened to hear new evidence on the direction of the Appeal Committee). The quorum for a meeting of a conduct committee shall be three, provided also that

(a) in the case of the Investigation Committee, more than half of those present shall be persons who are not Members or Registered Students of the Institute;
(b) in the case of the Disciplinary Committee, more than half of those present are persons who are not Members or Registered Students of the Institute; and
(c) in the case of the Appeal Committee, either the Chairman or the Vice Chairman or both are present and more than half of those present (including the Chairman and Vice Chairman if present) are persons who are not Members or Registered Students of the Institute.

Procedure

4. When an allegation against a Member or Registered Student is received or raised by the Institute, appropriate administrative procedures shall be followed with a view to determining the terms of a complaint to be put to the Member or Registered Student (‘the respondent’) for response. The Institute may require the respondent to provide such documents or information as the Institute considers reasonably necessary to discharge its functions under this Regulation. If it is not possible to reach such a determination, or the allegation is withdrawn or not pursued, the Institute may close the file relating to the matter.

5. If, at any time after an allegation has been received, or after a complaint has been put to a respondent, circumstances arise which in the opinion of the Institute make it clearly inappropriate to proceed, the file may be put in abeyance or closed. Such circumstances would include, but are not limited to, the death or ill-health of the respondent concerned.
6. After a respondent has either responded to a complaint or, having been given a period of time considered reasonable by the Institute to respond, has failed to do so, the complaint shall be referred to the Investigation Committee for consideration.

7. The Investigation Committee may, on considering a complaint, require the Institute to obtain further specified information or to undertake inquiries on its behalf.

7A. For the purposes of Regulations Part II, a party shall be deemed to have received a letter on the second business day after the letter was dispatched or, if sent via email/facsimile, within 48 hours of dispatch.

8. Subject to Regulation 7 above, the Investigation Committee shall consider the complaint and shall reach one of the following conclusions:

(a) that there is no prima facie case to answer; or

(b) that, having regard to the public interest aspects of the complaint which the Committee perceives, the complaint should be referred to an organisation set up for the purposes of Article 4(d) of the Charter; or

(c) that, having noted that the Institute has received notice in writing from such organisation that the complaint is to be dealt with by that organisation, the Committee will suspend its consideration of the complaint; or

(d) that there is a prima facie case to answer but the complaint is so insubstantial that it would not warrant further action or action under (e) or (f) below; or

(e) that there is a prima facie case to answer and the respondent should be invited in accordance with these Regulations to consent to the imposition of a sanction or sanctions consisting of an admonishment or reprimand or severe reprimand and/or a fine up to an amount specified from time to time in Regulations, and/or be required to make a payment of costs, as closing the complaint; or

(f) that there is a prima facie case to answer and the complaint will be referred to the Disciplinary Committee.

9. Subject to Regulations 10 and 11 below, a complaint referred to the Disciplinary Committee shall be heard as soon as practicable. The complainant and the respondent shall be advised of the date and place of the proposed hearing, and the respondent shall in addition be advised of the complaint that has been made against him and that he is entitled to attend the hearing, to speak and give evidence on his own behalf or to be represented, and to call and cross examine witnesses; and that if he does not attend the hearing the matter may be determined in his absence. Subject to the Laws of the Institute, the Disciplinary Committee may decide its own procedure, provided that hearings shall be held in public unless the Chairman decides otherwise in exceptional circumstances. The date, time and place of the hearing will be published at least seven days in advance of the hearing [save that the Chairman may, following an application by either of the parties, or on his own initiative, direct that the name of the respondent should be published in advance of the hearing].

10. The Disciplinary Committee may meet without the parties at the request of the Chairman for any purpose, whether in relation to a complaint or any other matter relevant to its jurisdiction. The Committee may in particular meet in respect of any complaint referred to it by the Investigation Committee, for the purpose of resolving the matter, with the agreement of the respondent, who admits the relevant facts, without the need for a hearing under these Regulations. Subject to these Regulations, the Disciplinary Committee may determine its own procedure for convening and conducting meetings under this Regulation in rules or, subject to such rules, as it sees fit in any particular case. The Chairman of the Disciplinary Committee may also grant, or invite the parties to attend, a pre-hearing review of a case in accordance with the procedures of the Committee.
11. Where the Institute is prosecuting a complaint under the disciplinary procedures of the Institute and facts emerge or circumstances arise, after that complaint has been referred by the Investigation Committee to the Disciplinary Committee, which in the opinion of the Institute makes its further prosecution at that time inappropriate, the Institute may abandon or postpone its action in relation to that complaint provided that the reasons for such abandonment or postponement are reported to the Investigation Committee at the next available opportunity.

12. The Disciplinary Committee shall decide, following a meeting under Regulation 10 above or following a hearing, whether the complaint is upheld. If so, and unless the Committee decides in the particular circumstances that no sanction shall be applied, the Committee shall direct that any one or more of the following sanctions be imposed:

(a) the respondent be admonished;
(b) the respondent be reprimanded;
(c) the respondent be severely reprimanded;
(d) the respondent’s registration as a Member in Practice be cancelled and his Practising Certificate be withdrawn;
(e) the respondent be fined an amount not exceeding a maximum determined from time to time in Regulations;
(f) the respondent be suspended from membership of the Institute for a period not exceeding two years determined by the Disciplinary Committee (beginning on the date of the decision of the Disciplinary Committee or of the date of the decision of the Appeal Committee if the respondent appeals the decision or sanction of the Disciplinary Committee and the Appeal Committee dismisses that appeal), following which period the respondent shall be restored to membership of the Institute provided that he has paid all monies due to the Institute at that date and howsoever arising and is not the subject of a complaint to the Institute being considered by the Institute or by the conduct committees of the Institute or by an organisation set up for the purposes of Article 4(d) of the Charter, or, following a decision of the Appeal Committee, by the courts;

(g) the respondent be expelled from membership of the Institute;
(h) the respondent’s membership be made subject to conditions;
(i) the respondent’s registration, if a Registered Student, be cancelled or made subject to conditions;

and the respondent may be required to pay all or part of the costs of the proceedings against him.

12A. If, following a hearing, the complaint is not upheld, and the Disciplinary Committee decides, whether on the application of the respondent or otherwise, that the case was brought before it improperly, in bad faith or unreasonably, it may direct that the Institute pay all or part of the reasonable costs incurred by the respondent under these Regulations.

Appeal Committee

13. A respondent may appeal in writing, within 28 days of receipt of notification of the Disciplinary Committee’s findings, to the Appeal Committee against the upholding of a complaint by the Disciplinary Committee or against the sanction imposed. The Chairman of the Appeal Committee may extend the 28 day period for appeal by such further period as he considers reasonable. The Appeal Committee shall not hear evidence, but shall consider whether the complaint has been properly heard within the Bye-laws and Regulations, whether the rules of natural justice and any relevant principles of human rights have been satisfactorily observed, whether the Disciplinary Committee has reached a reasonable decision in the circumstances. If the Appeal Committee concludes that the handling of the complaint has...
been unsatisfactory in terms of this Regulation, it may overturn the finding of the Disciplinary Committee or remove the sanction imposed on the respondent or substitute a different sanction from amongst those available to the Disciplinary Committee. If new evidence is put before the Appeal Committee, and that Committee is satisfied that that evidence could not reasonably have been made available to the Disciplinary Committee at the relevant hearing, then the Appeal Committee may direct that the Disciplinary Committee reconvene to hear the new evidence. The rights of appeal of the respondent under this Regulation shall apply equally to the outcome of a reconvened hearing of the Disciplinary Committee. Subject to the Laws of the Institute, the Appeal Committee may decide its own procedure, provided that:

(a) hearings or meetings of the Appeal Committee shall be held in public unless the Chairman decides otherwise in exceptional circumstances, and

(b) the parties may in all cases attend such hearings or meetings, and

(c) The Institute shall be represented at all hearings or meetings.

14. Decisions of the Investigation Committee, Disciplinary Committee and Appeal Committee shall be notified to the respondent in writing. The Investigation Committee, the Disciplinary Committee and the Appeal Committee shall keep records of their proceedings, and their decisions shall be published in accordance with these Regulations.

Professional standards, codes etc.

15. The Council may from time to time specify or approve any code, statement or guidelines dealing with professional standards, competence, conduct or practice to be Laws of the Institute.

Fines and costs

16. The maximum fines which may be imposed under Regulation 8 (e) above (consent order procedure) shall be, for Members £2,000, and for Registered Students £500, and under Regulation 12 (f) above (Disciplinary Committee powers) for Members an unlimited amount, and for Registered Students £2,000. All fines and costs imposed shall be payable within thirty days and shall be subject to interest (at a reasonable rate to be determined by or under the direction of the Council) thereafter. An unpaid fine or unpaid amount of costs shall be a debt enforceable before the English Courts by any remedy available for contract debt, and non-payment after a period of three months shall be misconduct for the purposes of the Bye-laws and Regulations.

Consent Order Procedure

17. The procedure specified in Regulations 18 to 21 below shall be followed for the purposes of Regulation 8 (e) above.

18. A letter shall be sent to the respondent on behalf of the Investigation Committee offering to dispose of the complaint by way of a consent order or orders. The letter shall indicate the sanction or sanctions and/or costs, if any, it is proposed to apply and that if the respondent does not agree to the proposed action in writing within 28 days of the date of the letter, the complaint will be referred to the Disciplinary Committee. The letter shall also indicate that if the Investigation Committee determines to issue a consent order or orders, the complainant has a right of appeal.

19. If the respondent agrees to disposal by consent order, a letter shall be sent to the respondent confirming that the proposed action will be taken and the letter shall be copied to the complainant drawing attention to his right of appeal. If the complainant does not lodge an appeal within the period specified in Regulation 25 below, then a finding upholding the complaint shall be recorded...
and the consent order or orders issued on behalf of the Investigation Committee.

20. If the respondent, in agreeing to the proposed disposal by consent order, makes further substantive comments for consideration by the Investigation Committee, the letter shall be referred to the Committee by circulation of papers and the Committee shall decide whether to proceed or to meet to re-consider the complaint.

21. If the respondent does not agree in writing to disposal by consent order within 21 days of the letter sent to him under Regulation 18 above, or replies to the effect that he does not consent, the complaint shall be referred, on behalf of the Investigation Committee, to the Disciplinary Committee under Regulation 9 above.

Appeals by respondents

22. A respondent seeking to appeal against a decision of or sanction imposed by the Disciplinary Committee shall do so in a form prescribed from time to time, which shall include a requirement for the respondent to specify his grounds of appeal as one or more of the following:

(a) that there was irregularity or unfairness in the procedure leading to the decision reached or sanction imposed;

(b) that the decision reached was unreasonable or the sanction inappropriate;

(c) that there has since emerged new evidence which could not reasonably have been produced to the Disciplinary Committee.

23. The Appeal Committee may:

(a) Direct that the costs of an unsuccessful or partly unsuccessful appeal shall be borne by the respondent;

(b) Where it appears to the Committee that the case was brought before the Disciplinary Committee improperly, in bad faith or unreasonably, direct that the reasonable costs of a successful appeal be borne by the Institute.

24. Pending determination of an appeal under these Regulation, no sanction imposed on the relevant respondent shall be enforced unless the Appeal Committee otherwise directs.

Appeal procedure for complainant

25. Where a complainant is dissatisfied with the decision of the Investigation Committee to dispose of a complaint by consent order, or with a decision of the Disciplinary Committee, he may within 28 days of the date of receipt of the decision of the committee in question appeal by writing to the Appeal Committee.

25A. Where a complainant is dissatisfied with the decision of the Investigation Committee not to refer a complaint to the Disciplinary Committee pursuant to Regulations 8(a) or 8(d) above, he may within 28 days of receipt of the decision of the Investigation Committee apply in writing to the Professional Conduct Staff, who shall refer every such application to the Chairman or Vice-Chairman of the Appeal Committee. If, after considering the application, the Chairman or Vice-Chairman of the Appeal Committee considers that:

(a) there was irregularity or unfairness in the procedure leading to the Investigation Committee’s decision; and/or

(b) the decision reached was unreasonable; and/or

(c) the complainant has produced new evidence which could not reasonably have been produced to the Investigation Committee, prior to its original decision, he shall remit the application to a fresh panel of the Investigation Committee with a recommendation that the whole or part of the complaint be reconsidered.

26. The Appeal Committee may dismiss the appeal, or direct that the case be reconsidered by the Investigation Committee or the Disciplinary Committee as appropriate.
27. A respondent whose case is heard again by the Disciplinary Committee following a direction under the preceding Regulation shall have the same right of appeal as if the case was before that Committee for the first time.

28. The Appeal Committee may direct that the cost of an appeal under Regulation 25 above shall be borne by the complainant.

29. Pending determination of an appeal under Regulation 25 above, no sanction imposed on the relevant respondent shall be enforced unless the Appeal Committee otherwise directs.

Time limits for appeals

30. All appeals against decisions or sanctions of either the Disciplinary Committee or the Investigation Committee shall be considered by the Appeal Committee not later than sixteen weeks after the appeal expiry date (where relevant as extended by the Chair under Regulation 13 or 25 above). The appellant must provide all documentation relevant to the appeal not later than six weeks after the appeal expiry date. Failure by the appellant to adhere to this timetable will automatically result in the notification to him or her of the appeal lapsing.

Publication of decisions

31. All decisions of conduct committees upholding a complaint shall be published on the website of the Institute, and may be published elsewhere in accordance with policy determined by the Institute, provided that such decisions to be published:

(a) shall include decisions in relation to or following from appeals under Regulations 25 to 29 above;
(b) shall not include decisions of the Investigation Committee under Regulation 8(d) above; and
(c) shall not include decisions of the Disciplinary Committee under Regulation 12 above to apply no sanction.

31A. Upon an application by either Party, the Disciplinary Committee may, in exceptional circumstances and taking into account the requirements of a fair hearing, the public interest in publication and any countervailing public interest in there being no publication, decide that its decision should not be published.

32. A respondent who has been cleared of a complaint made against him shall be entitled to require the Institute to publish the relevant details in the same manner as currently approved for the purposes of publications under Regulation 31 above.

PART III – General Meetings

General Meetings

1. The Annual General Meeting shall be for the purpose of transacting the following business:

(a) receiving and considering the report of the Council on the business of the Institute (and any integrated reports as the Council deems appropriate);
(b) electing, on the nomination of the Council, the President, the Deputy President and the Vice President;
(c) appointing the auditors and either determining their remuneration or authorising the Council to determine the same;
(d) receiving the accounts of the Institute; and
(e) such other business as the Council may think fit.

2. A General Meeting of the Institute other than an Annual General Meeting may be called at any time by the Council and shall be so called if so required by a notice which shall state fully the purposes of the Meeting.

3. Such notice may consist of several documents in like form and if the Meeting is not held within three months of the date of the notice the Council may call the Meeting provided that it is held within five months of the date of the notice.
4. A number of Members being not less than one per cent of the total number of Members of the Institute may acting jointly propose in writing to the Chief Executive, that the Charter or Bye-laws be amended by Special Resolution. The Council shall ensure that the proposal, or a version of it agreed with the proposers, is included in the business of the next forthcoming Annual General Meeting or of the subsequent Annual General Meeting.

5. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the Meeting proceeds to business. Twenty Members of the Institute participating in the meeting whether in person, by proxy or virtually shall constitute a quorum, provided that where a General Meeting has been adjourned for the lack of a quorum then the number of Members present in person, by proxy or virtually at the re-convened Meeting shall be a quorum. Where Members have cast their votes electronically in advance of the Meeting, each Member who has cast such a vote shall be deemed to count towards the quorum.

6. Every Member entitled to attend and vote at General Meetings shall be entitled to:
   
   (a) participate virtually in a meeting of the Members. Unless otherwise prescribed in procedural rules determined by the Council, a person so participating virtually shall be entitled to vote during the Meeting and be counted towards the quorum; or
   
   (b) appoint some other Member to be his proxy and the other Member so appointed shall be entitled to attend the Meeting and cast the vote of that Member in addition to his own. Each proxy shall apply only to a specified Meeting or any adjournment thereof.

7. Each Member shall be entitled to one vote.

8. In respect of any General Meeting, votes on a resolution may be cast in one of the following ways:
   
   (a) by a show of hands of Members personally present or by proxy present at the Meeting; or
   
   (b) electronically in advance or at the meeting by such means as is determined by Council and is notified to the Members when notice of the General Meeting is given, provided always that no Member who has cast a vote in advance of the relevant General Meeting shall also be permitted to vote in person, by proxy or electronically at the relevant General Meeting.

9. A declaration by the Chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of General Meetings of the Institute shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

10. In the case of an equality of votes, the Chairman of the Meeting shall be entitled to a second or casting vote.

11. The Chairman of the Meeting shall be the sole and absolute judge of the validity of every vote tendered at a Meeting or made electronically.

12. Not less than 21 days written notice shall be given of every General Meeting of the Institute. The notice shall be exclusive of the day on which it is served or deemed to be served, and shall specify the place, the day and the hour of meeting and the general nature of the business to be transacted and shall be given in manner hereafter prescribed.

13. The accidental omission to give notice of a Meeting to, or the non-receipt of a notice of a Meeting by, any Member, or the attendance and voting at any Meeting of any person subsequently found not to have been entitled so to attend and vote, and any other defect in the convening, calling and conduct of the Meeting shall not invalidate the proceedings thereat.

14. A proxy authority, and any revocation thereof, shall be given in the prescribed form, and shall be received by the Institute, or completed online if such facility is made available, (together with the
power of attorney, if any, under which it is signed) at least 48 hours before the time for holding the meeting to which it relates.

15. Subject to paragraph 8(b) of Part III above, a Member qualified to vote, being personally present at any General Meeting, may vote in person notwithstanding that he has appointed a proxy but if he does so the vote of his proxy shall not be counted.

16. No Member shall be entitled to vote, either electronically, personally or by proxy, at any General Meeting, who is in arrears with any subscriptions payable by him to the Institute.

17. The President shall preside as chairman at every General Meeting. If there be no such President or if at any meeting he is not present within 15 minutes after the time appointed for holding the meeting or is unwilling to act as chairman, the member of the Council present whose surname is first alphabetically shall be chairman.

18. If within half an hour from the time appointed for the Meeting a quorum is not present, the Meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week, at the same time and at the headquarters of the Institute, and if at the adjourned Meeting a quorum is not present within half an hour from the time appointed for the Meeting the Members present and deemed as counting towards the quorum having cast a vote electronically shall be a quorum.

19. The chairman may at his discretion adjourn the Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting other than the business left unfinished at the Meeting from which the adjournment took place and all votes cast electronically shall be deemed cast at the adjourned Meeting. When a Meeting is adjourned for thirty days or more, notice of the adjourned Meeting shall be given as in the case of an original Meeting and electronic votes shall be cast in respect of such the adjourned Meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned Meeting.

PART IV – Council and Committees

Elections to Council

1. For the purpose of the election of Fellows to the Council, the membership of the Institute shall be divided, having regard to their registered addresses, into the electoral constituencies described in Appendix 1 to these Regulations, and the number of seats on the Council for each constituency shall be as specified in that Appendix.

2. Elections to the Council shall be conducted in the following manner:

(a) A voting paper containing the names of the candidates in alphabetical order and relevant instructions for voting shall be issued to every Member with a registered address in the constituency concerned.

(b) The voting paper shall be accompanied by a statement, in respect of each candidate also in alphabetical order, including:

- the full time occupation of the candidate, or if retired the most recent occupation and date of retirement;
- the names of the six Members who have nominated the candidate; and
- such other particulars as may be prescribed by the Council from time to time.

(c) Each Member shall have as many votes as there are vacancies to be filled in the constituency in question, and may cast such votes by returning the voting paper in accordance with the requirements specified on it or by voting online if such facility is provided, by the specified closing date, provided that no Member shall vote by both means.
(d) Votes in elections shall be counted, and results determined, by an independent body appointed by the Institute for this purpose.

(e) In the event of a tied vote, a further election, involving only the tied candidates, shall be held.

(f) The accidental omission to issue a voting paper or papers to, or the non-receipt of such paper or papers by, any Member, or the non-receipt of a vote or votes, shall not invalidate any election.

Committees and Boards

7. Council may resolve to appoint a Committee — by a name to be determined at the point of its inauguration — to assist Council in the discharge of its duties and responsibilities. Such Committee shall have the authority, subject to the directions of Council, to exercise the powers of Council (except the powers to make Regulations and such powers as may be specifically delegated to some other committee or body and such powers as the Council may by resolution prohibit them from exercising). At the first meeting of the Council following each Annual General Meeting, the Council shall appoint such Committee in accordance with the following Regulation.

8. The aforementioned Committee shall consist of the President, who shall be the Chairman at any meeting at which he is present, the other honorary officers and such other members of the Council or other persons as the Council think fit to appoint. The usual size of the Committee will be twelve and seven will form a quorum; the maximum membership of the Committee will be fifteen, in which case eight will form a quorum, and the minimum membership of the Committee will be ten in which case six shall form a quorum.

9. There shall be a Committee or entity endorsed by the Council to oversee the financial affairs of the Institute, an Appointments Committee to make recommendations to the Council in respect of appointments to its committees and boards and to make Appointments to independent conduct committees dealing with the discipline of Members and Registered Students, and such other committees and boards of the Council as shall be determined by the Council, provided that a person who has been co-opted to the Council under Bye-law 16(d) may not be appointed as a Chairman of any Committee, Panel or Board of the Council. The Appointments Committee may also nominate or approve appointments to the boards and committees of other entities consistent with agreements made by Council.
10. The President shall be a member ex officio of all Committees except the Investigation, Disciplinary and Appeal Committees. Subject to these Regulations, the composition, method of appointment, terms and period of office of members, powers and functions, and procedures, of all Committees and Boards shall be set out in applicable protocols, policies and procedures.

11. In the event that the Appointments Committee fails wholly or partly to exercise its powers to appoint the members of the Institute’s conduct committees, then the Council shall itself appoint members of those committees including the Chairmen and Vice Chairmen for such period or periods as it shall see fit.

12. Whenever a committee does any act which the Council is authorised by the Laws of the Institute to do, such Committee shall do such act in its own name, and not in the name of the Council, but may refer to the powers hereby or by resolution of the Council given to it to act on behalf of the Council.

12A. Where a complaint under the Bye-laws has been received or raised against a member who holds office as a member of Council, and/or a board or committee, and the Investigation Committee has found a prima facie case of misconduct against such member, the member will, upon the request of the President (or where the complaint has been raised against the President, upon the request of the Honorary Officers), stand down from his office until such time as the complaint is determined.

13. No member who has been found guilty of misconduct, and has had a sanction imposed on him (other than an admonishment), shall take, or continue to hold, office as a member of a committee or board of the Institute for a period of five years after the sanction(s) was imposed, nor shall he take or continue to hold office in any subdivision of the Institute.

PART V – Sub-divisions and other organisations

1. The Council may from time to time establish, regulate, suspend or dissolve:
   (a) regions, areas, branches or overseas organisations for Members of the Institute;
   (b) specialist groups for Members working in particular industries or occupations; or
   (c) Societies for Registered Students, which may be attached to a branch or overseas organisation of the Institute whilst not being themselves part of the Institute.

2. The Council’s right to suspend or dissolve any organisation established under 1 above includes the right to suspend or dissolve any managing or representative board or committee of any such organisation and all and any funds in the hands of such organisation shall belong to the Institute and in the event of suspension or dissolution shall be returned to the Institute in accordance with the directions of the Council.

PART VI – Finance, Audit and Seal

1. The Council shall cause proper accounts to be kept with respect to:
   (a) all sums of money received and expended by the Institute and the matters in respect of which the receipt and expenditure takes place;

   (c) the assets and liabilities of the Institute.

2. Summary accounts for the relevant year and the Auditors’ report shall be made available to every Member not less than twenty-one days before the Annual General Meeting at which they are to be received.
3. The Auditor or Auditors shall hold office for one year, or until his or their resignation and shall be eligible for re-appointment and shall receive such remuneration as may be determined by or with the authority of the Institute in General Meeting. An Auditor may resign by notice in writing addressed to the Chief Executive.

4. If the office of Auditor or Auditors becomes vacant before the expiration of his or their period of office, the Council shall forthwith appoint an Auditor or Auditors in his or their place for the remainder of such period.

6. The Auditor or Auditors shall make a report to the Institute in General Meeting on the accounts examined by him or them and on the summary accounts laid before the Institute in General Meeting during his or their tenure of office, and the report shall so far as relevant contain statements as to the matters mentioned in Part 16 of the Companies Act 2006 or the corresponding provision of any Act replacing it. Such report shall be placed before the Institute in General Meeting and shall be open to inspection by any Member of the Institute.

7. The Auditor or Auditors shall be entitled to attend any General Meeting of the Institute and to receive all notices of and any other communications relating to any such Meeting which Members of the Institute are entitled to receive and to be heard at any such Meeting which he or they attend on any part of the business of the meeting which concerns him or them as Auditor or Auditors.

8. For the purposes of this Regulation ‘Investment Instruments’ means all documents of every form required to perfect in any way an investment transaction duly authorised by the Laws of the Institute.

9. The Seal of the Institute may be affixed to Investment Instruments and to Membership Certificates upon the authority of any member of the Council or the Chief Executive or any person authorised by the Chief Executive for the purpose and in the case of Membership Certificates need not be affixed in the presence of any person and in the case of Investment Instruments may be affixed in the presence of any person or persons authorised by any member of the Council or by the Chief Executive or any person authorised by the Chief Executive.

10. Except in the case of Investment Instruments and Membership Certificates, the Seal of the Institute shall not be affixed to any instrument except by the authority of a resolution of the Council or of a Committee of the Council to whom authority has been delegated by a resolution of the Council, and in the presence of two members of the Council and of the Chief Executive or such other person as the Council may appoint for that purpose.
