3. All applications for admission to membership shall be made in the form prescribed from time to time by or on behalf of the Council and shall include an undertaking by each applicant that he will, if admitted, and so long as he is a Member, duly observe the Laws of the Institute.

4. In the case of an applicant who had previously been a Member and whose membership has ceased, the Council may readmit him to membership either unconditionally or subject to conditions.

Fees and Subscriptions

5. Applicants for membership shall pay an application fee. If admitted, they shall pay the relevant subscription within two months (or four months in the case of an applicant resident outside the European Union). If the subscription is not paid within the time specified in this Regulation the admission shall be cancelled.

6. The due date for payment of Members’ annual subscription is 1 January. The membership of a Member who does not pay their annual subscription renewal by 31 March may be terminated. In the case of a newly admitted Member the subscription shall be due on the date of admission and shall be net of any sum already paid as a Registered Student for that year. REGULATIONS

Diplomas

10. A Member who has been awarded the Joint Diploma in Management Accounting Services shall, while he remains a Member, be entitled to use that designation or the letters ‘J.Dip.MA’ after his name and following the letters ‘FCMA’ or ‘ACMA’ as the case may be.

11. The names of all Members in Practice shall be entered in a register maintained for the purpose. Any Member found to be providing accounting services to clients whilst not registered as a Member in Practice may be liable to disciplinary action by the Institute.

12. All matters relating to Members in Practice shall be set out in Subordinate Documents.

CIMA Professional Development

13. CIMA Professional Development (‘CPD’) is a mandatory condition of membership of the Institute. Members are required to undertake the CPD Cycle outlined in Subordinate Documents, and will be required to keep CPD records for a minimum of three years on a rolling basis.

14. CPD compliance is based on trust and whilst CIMA offers support to Members, it is the responsibility of Members to assess their development goals and needs, select the most appropriate activities, and design their CPD programmes accordingly.

15. A sample of Members’ CPD records will be selected each year for verification. This selection may be weighted to include an appropriate proportion of Members having high levels of responsibility, including direct contact with the public.

16. Members selected for monitoring will be asked to demonstrate that they have undertaken the CPD Cycle, and will be required to provide evidence of their CPD in any of the formats detailed in the Subordinate Documents referred to in 13 above.

17. Members who have not complied with CPD requirements may be given additional time within which to comply and will, if they request it, be given assistance by CIMA, and will be monitored again after the time allowed has elapsed.

18. Any Member who fails to comply with CPD requirements will be referred to a Panel of CPD Assessors who will determine what action to take. The Panel may refer cases to the Investigation Committee when wilful and persistent non-compliance is suspected.

19. A Member or Registered Student who:
   
   (a) sustains a disciplinary sanction before any body or tribunal;

Registered Students

21. The names and addresses of Registered Students shall be entered in an official register maintained for the purpose and Registered Students shall provide details of their employment status, and if employed the name and address of their employer, and shall notify the Chief Executive of any change.

22. All other matters relating to Registered Students shall be provided for in Subordinate Documents.

23. Student Registration shall not confer any membership rights nor entitle a person so registered to claim any form of membership of the Institute or of a Branch of the Institute. A Student may, however, join any Students’ Society attached to a Branch, and participate in Branch activities.

Affiliates

24. Persons who have passed such examinations or other tests of knowledge or experience as may in each case be specified in or under these Regulations (or pursuant to such Regulations, having been exempted therefrom) may be registered as Affiliates by resolution of the Council.

PART II – Discipline

Appointment of conduct committees

1. In accordance with guidance provided from time to time by the Council, the Appointments Committee shall appoint the Chairman, Vice Chairman and other members of an Investigation Committee, a Disciplinary Committee and an Appeal Committee (‘conduct committees’). The Appointments Committee may exercise its powers under this Regulation from time to time and shall ensure that:

(a) no member of Council shall be appointed to a conduct committee;

(b) no person shall simultaneously be a member of more than one conduct committee;
REGULATIONS

(c) the Chairman and Vice Chairman of the Appeal Committee shall hold a legal qualification satisfactory to the Appointments Committee.

2. A member of a conduct committee shall serve for such period as may be determined by the Appointments Committee, and may be removed by the Appointments Committee at any time on reasonable grounds. The Council may from time to time approve arrangements for the payment of fees or remuneration to persons appointed to the conduct committees.

Meetings of conduct committees

3. A member of a conduct committee may not participate in the consideration of any case in which he has personal knowledge of or a connection with the respondent or complainant (except when sitting as a member of the Disciplinary Committee reconvened to hear new evidence on the direction of the Appeal Committee). The quorum for a meeting of a conduct committee shall be three, provided also that

(a) in the case of the Investigation Committee, more than half of those present shall be persons who are not Members or Registered Students of the Institute;

(b) in the case of the Disciplinary Committee, more than half of those present are persons who are not Members or Registered Students of the Institute; and

(c) in the case of the Appeal Committee, either the Chairman or the Vice Chairman or both are present and more than half of those present (including the Chairman and Vice Chairman if present) are persons who are not Members or Registered Students of the Institute.

Procedure

4. When an allegation against a Member or Registered Student is received or raised by the Institute, appropriate administrative procedures shall be followed with a view to determining the terms of a complaint to be put to the Member or Registered Student ("the respondent") for response. If it is not possible to reach such a determination, or the allegation is withdrawn or not pursued, the Institute may close the file relating to the matter.

5. If, at any time after an allegation has been received, or after a complaint has been put to a respondent, circumstances arise which in the opinion of the Institute make it clearly inappropriate to proceed, the file may be put in abeyance or closed. Such circumstances would include, but are not limited to, the death or ill-health of the respondent concerned.

6. After a respondent has either responded to a complaint or, having been given a period of time considered reasonable by the Institute to respond, has failed to do so, the complaint shall be referred to the Investigation Committee for consideration.

7. The Investigation Committee may, on considering a complaint, require the Institute to obtain further specified information or to undertake inquiries on its behalf.
8. Subject to Regulation 7 above, the Investigation Committee shall consider the complaint and shall reach one of the following conclusions:

(a) that there is no prima facie case to answer; or

(b) that, having regard to the public interest aspects of the complaint which the Committee perceives, the complaint should be referred to an organisation set up for the purposes of Article 4(d) of the Charter; or

(c) that, having noted that the Institute has received notice in writing from such organisation that the complaint is to be dealt with by that organisation, the Committee will suspend its consideration of the complaint; or

(d) that there is a prima facie case to answer but the complaint is so insubstantial that it would not warrant further action or action under (e) or (f) below; or

(e) that there is a prima facie case to answer and the respondent should be invited in accordance with these Regulations to consent to the imposition of a sanction or sanctions consisting of an admonishment or reprimand or severe reprimand and/or a fine up to an amount specified from time to time in Regulations, and/or be required to make a payment of costs, as closing the complaint; or

(f) that there is a prima facie case to answer and the complaint will be referred to the Disciplinary Committee.

9. Subject to Regulations 10 and 11 below, a complaint referred to the Disciplinary Committee shall be heard as soon as practicable. The complainant and the respondent shall be advised of the date and place of the proposed hearing, and the respondent shall in addition be advised of the complaint that has been made against him and that he is entitled to attend the hearing, to speak and give evidence on his own behalf or to be represented, and to call and cross examine witnesses; and that if he does not attend the hearing the matter may be determined in his absence. Subject to the Laws of the Institute, the Disciplinary Committee may decide its own procedure, provided that hearings shall be held in public unless the Chairman decides otherwise in exceptional circumstances.

10. The Disciplinary Committee may meet without the parties at the request of the Chairman for any purpose, whether in relation to a complaint or any other matter relevant to its jurisdiction. The Committee may in particular meet in respect of any complaint referred to it by the Investigation Committee, for the purpose of resolving the matter, at the suggestion of the respondent, who admits the relevant facts, without the need for a hearing under these Regulations. Subject to these Regulations, the Disciplinary Committee may determine its own procedure for convening and conducting meetings under this Regulation in rules or, subject to such rules, as it sees fit in any particular case. The Chairman of the Disciplinary Committee may also grant, or invite the parties to attend, a pre-hearing review of a case in accordance with the procedures of the Committee.

11. Where the Institute is prosecuting a complaint under the disciplinary procedures of the Institute and facts emerge or circumstances arise, after that complaint has been referred by the Investigation Committee to the Disciplinary Committee, which in the opinion of the Institute makes its further prosecution at that time inappropriate, the
REGULATIONS

Institute may abandon or postpone its action in relation to that complaint provided that the reasons for such abandonment or postponement are reported to the Investigation Committee at the next available opportunity.

12. The Disciplinary Committee shall decide, following a meeting under Regulation 10 above or following a hearing, whether the complaint is upheld. If so, and unless the Committee decides in the particular circumstances that no sanction shall be applied, the Committee shall direct that any one or more of the following sanctions be imposed:

(a) the respondent be admonished;
(b) the respondent be reprimanded;
(c) the respondent be severely reprimanded;
(d) the respondent’s registration as a Member in Practice be cancelled and his Practising Certificate be withdrawn;
(e) the respondent be fined an amount not exceeding a maximum determined from time to time in Regulations;
(f) the respondent be suspended from membership of the Institute for a period not exceeding two years determined by the Disciplinary Committee (beginning on the date of the decision of the Disciplinary Committee or of the date of the decision of the Appeal Committee if the respondent appeals the decision or sanction of the Disciplinary Committee and the Appeal Committee dismisses that appeal), following which period the respondent shall be restored to membership of the Institute provided that he has paid all monies due to the Institute at that date and howsoever arising and is not the subject of a complaint to the Institute being considered by the Institute or by the conduct committees of the Institute or by an organisation set up for the purposes of Article 4(d) of the Charter, or, following a decision of the Appeal Committee, by the courts;
(g) the respondent be expelled from membership of the Institute;
(h) the respondent’s membership be made subject to conditions;
(i) the respondent’s registration, if a Registered Student, be cancelled or made subject to conditions;

and the respondent may be required to pay all or part of the costs of the proceedings against him.

12A. If, following a hearing, the complaint is not upheld, and the Disciplinary Committee decides, whether on the application of the respondent or otherwise, that the case was brought before it improperly, in bad faith or unreasonably, it may direct that the Institute pay all or part of the reasonable costs incurred by the respondent under these Regulations.
13. A respondent may appeal in writing, within 28 days of receipt of notification of the Disciplinary Committee’s findings, to the Appeal Committee against the upholding of a complaint by the Disciplinary Committee or against the sanction imposed. The Chairman of the Appeal Committee may extend the 28 day period for appeal by such further period as he considers reasonable. The Appeal Committee shall not hear evidence, but shall consider whether the complaint has been properly heard within the Byelaws and Regulations, whether the rules of natural justice and any relevant principles of human rights have been satisfactorily observed, whether the Disciplinary Committee has reached a reasonable decision in the circumstances. If the Appeal Committee concludes that the handling of the complaint has been unsatisfactory in terms of this Regulation, it may overturn the finding of the Disciplinary Committee or remove the sanction imposed on the respondent or substitute a different sanction from amongst those available to the Disciplinary Committee. If new evidence is put before the Appeal Committee, and that Committee is satisfied that that evidence could not reasonably have been made available to the Disciplinary Committee at the relevant hearing, then the Appeal Committee may direct that the Disciplinary Committee reconvene to hear the new evidence. The rights of appeal of the respondent under this Regulation shall apply equally to the outcome of a reconvened hearing of the Disciplinary Committee. Subject to the Laws of the Institute, the Appeal Committee may decide its own procedure, and the Chairman may decide in any particular case whether the proceedings shall be open, in full or in part, to the public, who may be excluded at any time at his discretion.

14. Decisions of the Investigation Committee, Disciplinary Committee and Appeal Committee shall be notified to the respondent in writing. The Investigation Committee, the Disciplinary Committee and the Appeal Committee shall keep records of their proceedings, and their decisions shall be published in accordance with these Regulations.

Professional standards, codes etc

15. The Council may from time to time specify or approve any code, statement or guidelines dealing with professional standards, competence, conduct or practice to be Laws of the Institute.

Fines and costs

16. The maximum fines which may be imposed under Regulation 8 (e) above (consent order procedure) shall be, for Members £2,000, and for Registered Students £500, and under Regulation 12 (f) above (Disciplinary Committee powers) for Members an unlimited amount, and for Registered Students £2,000. All fines and costs imposed shall be payable within thirty days and shall be subject to interest (at a reasonable rate to be determined by or under the direction of the Council) thereafter. An unpaid fine or unpaid amount of costs shall be a debt enforceable before the English Courts by any remedy available for contract debt, and non-payment after a period of three months shall be misconduct for the purposes of the Byelaws and Regulations.
REGULATIONS

Consent Order Procedure

17. The procedure specified in Regulations 18 to 21 below shall be followed for the purposes of Regulation 8 (e) above.

18. A letter shall be sent to the respondent on behalf of the Investigation Committee offering to dispose of the complaint by way of a consent order or orders. The letter shall indicate the sanction or sanctions and/or costs, if any, it is proposed to apply and that if the respondent does not agree to the proposed action in writing within 28 days of the date of the letter, the complaint will be referred to the Disciplinary Committee. The letter shall also indicate that if the Investigation Committee determines to issue a consent order or orders, the complainant has a right of appeal.

19. If the respondent agrees to disposal by consent order, a letter shall be sent to the respondent confirming that the proposed action will be taken and the letter shall be copied to the complainant drawing attention to his right of appeal. If the complainant does not lodge an appeal within the period specified in Regulation 25 below, then a finding upholding the complaint shall be recorded and the consent order or orders issued on behalf of the Investigation Committee.

20. If the respondent, in agreeing to the proposed disposal by consent order, makes further substantive comments for consideration by the Investigation Committee, the letter shall be referred to the Committee by circulation of papers and the Committee shall decide whether to proceed or to meet to re-consider the complaint.

21. If the respondent does not agree in writing to disposal by consent order within 21 days of the letter sent to him under Regulation 18 above, or replies to the effect that he does not consent, the complaint shall be referred, on behalf of the Investigation Committee, to the Disciplinary Committee under Regulation 9 above.

Appeals by respondents

22. A respondent seeking to appeal against a decision of or sanction imposed by the Disciplinary Committee shall do so in a form prescribed from time to time, which shall include a requirement for the respondent to specify his grounds of appeal as one or more of the following:

(a) that there was irregularity or unfairness in the procedure leading to the decision reached or sanction imposed;

(b) that the decision reached was unreasonable or the sanction inappropriate;

(c) that there has since emerged new evidence which could not reasonably have been produced to the Disciplinary Committee.

23. The Appeal Committee may:

(a) Direct that the costs of an unsuccessful or partly unsuccessful appeal shall be borne by the respondent;
REGULATIONS

(b) Where it appears to the Committee that the case was brought before the Disciplinary Committee improperly, in bad faith or unreasonably, direct that the reasonable costs of a successful appeal be borne by the Institute.

24. Pending determination of an appeal under these Regulation, no sanction imposed on the relevant respondent shall be enforced unless the Appeal Committee otherwise directs.

Appeal procedure for complainant

25. Where a complainant is dissatisfied with the decision of the Investigation Committee to dispose of a complaint by consent order, or with a decision of the Disciplinary Committee, he may within 21 days of the date of notification of the decision of the committee in question appeal by writing to the Appeal Committee.

26. The Appeal Committee may dismiss the appeal, or direct that the case be reconsidered by the Investigation Committee or the Disciplinary Committee as appropriate.

27. A respondent whose case is heard again by the Disciplinary Committee following a direction under the preceding Regulation shall have the same right of appeal as if the case was before that Committee for the first time.

28. The Appeal Committee may direct that the cost of an appeal under Regulation 25 above shall be borne by the complainant.

29. Pending determination of an appeal under Regulation 25 above, no sanction imposed on the relevant respondent shall be enforced unless the Appeal Committee otherwise directs.

Time limits for appeals

30. All appeals against decisions or sanctions of either the Disciplinary Committee or the Investigation Committee shall be considered by the Appeal Committee not later than ten weeks after the appeal expiry date. The appellant must provide all documentation relevant to the appeal not later than six weeks after the appeal expiry date. Failure by the appellant to adhere to this timetable will automatically result in the notification to the appeal lapsing.

Publication of decisions

31. All decisions of conduct committees upholding a complaint shall be published in the journal of the Institute, and may be published elsewhere in accordance with policy determined by the Institute, provided that such decisions to be published:

(a) shall include decisions in relation to or following from appeals under Regulations 25 to 29 above;

(b) shall not include decisions of the Investigation Committee under Regulation 8 (d) above; and

(c) shall not include decisions of the Disciplinary Committee under Regulation 12 above to apply no sanction.
32. A respondent who has been cleared of a complaint made against him shall be entitled to require the Institute to publish the relevant details in the same manner as currently approved for the purposes of publications under Regulation 31 above.

PART III – General Meetings

General Meetings

1. The Annual General Meeting shall be for the purpose of transacting the following business:
   (a) receiving and considering the report of the Council on the business of the Institute;
   (b) electing, on the nomination of the Council, the President, the Deputy President and the Vice President;
   (c) appointing the auditors and either determining their remuneration or authorising the Council to determine the same;
   (d) receiving the accounts of the Institute; and
   (e) such other business as the Council may think fit.

2. A General Meeting of the Institute other than an Annual General Meeting may be called at any time by the Council and shall be so called if so required by a notice which:
   (a) shall state fully the purposes of the Meeting; and
   (b) is signed by a number of Members being not less than one per cent of the number of the Members of the Institute at that date.

3. Such notice may consist of several documents in like form and if the Meeting is not held within three months of the date of the notice any six of the signatories may call the Meeting provided that it is held within five months of the date of the notice.

4. Any 25 Members acting jointly may propose, in writing to the Chief Executive, that the Charter or Byelaws be amended by Special Resolution. The Council shall ensure that the proposal, or a version of it agreed with the proposers, is included in the business of the next forthcoming Annual General Meeting or of the subsequent Annual General Meeting.

5. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the Meeting proceeds to business. Twenty Members personally present shall constitute a quorum, provided that where a General Meeting has been adjourned for the lack of a quorum then the number of Members present at the re-convened Meeting shall be a quorum.
6. Every Member entitled to attend and vote at General Meetings shall be entitled to appoint some other Member to be his proxy to attend and vote upon any poll and the other Member so appointed shall be entitled to cast the vote of that Member upon a poll in addition to his own. Each proxy shall apply only to a specified Meeting or any adjournment thereof.

7. At any General Meeting a resolution shall be decided on a show of hands and every Member personally present shall be entitled to one vote unless (before or on the declaration of the result of the show of hands) a poll is demanded by the Chairman or by at least five Members present in person or by proxy.

8. Unless a poll be so demanded a declaration by the Chairman that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of General Meetings of the Institute shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution. The demand for a poll may be withdrawn.

9. If a poll is duly demanded, it shall be taken at such time and in such manner as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the Meeting at which it was demanded.

10. Notwithstanding the foregoing provisions, no poll shall be permitted upon any question affecting the Chairman of the Meeting, or any adjournment of the Meeting.

11. Upon a poll, every Member present in person or by proxy upon the taking of the poll shall have one vote.

12. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the Meeting at which the show of hands take place, or at which the poll is demanded, shall be entitled to a second or casting vote.

13. No objection shall be made to the validity of any vote except at a Meeting or poll at which such vote shall be tendered and every vote not disallowed at such Meeting shall be valid. The Chairman of the Meeting shall be the sole and absolute judge of the validity of every vote tendered at that Meeting or poll resolved at that Meeting to be taken.

14. Not less than 21 days written notice shall be given of every General Meeting of the Institute. The notice shall be exclusive of the day on which it is served or deemed to be served, and shall specify the place, the day and the hour of meeting and the general nature of the business to be transacted and shall be given in manner hereafter prescribed.

15. The accidental omission to give notice of a Meeting to, or the non-receipt of a notice of a Meeting by, any Member, or the attendance and voting at any Meeting of any person subsequently found not to have been entitled so to attend and vote, and any other defect in the convening, calling and conduct of the Meeting shall not invalidate the proceedings thereat.

16. A proxy authority, and any revocation thereof, shall be given in the prescribed form, and shall be received by the Institute, or completed online if such facility is made
available, (together with the power of attorney, if any, under which it is signed) at least 48 hours before the time for holding the meeting to which it relates.

17. A Member qualified to vote, being personally present at any General Meeting, may vote in person notwithstanding that he has appointed a proxy but if he does so the vote of his proxy shall not be counted.

18. No Member shall be entitled to vote, either personally or by proxy, at any General Meeting or upon a poll, who is in arrears with any subscriptions payable by him to the Institute.

19. The President shall preside as chairman at every General Meeting. If there be no such President or if at any meeting he is not present within 15 minutes after the time appointed for holding the meeting or is unwilling to act as chairman, the Members present shall choose some other member of the Council present to be chairman, failing whom the Members present shall choose any one of their number to be chairman.

20. If within half an hour from the time appointed for the Meeting a quorum is not present, the Meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week, at the same time and at the headquarters of the Institute, and if at the adjourned Meeting a quorum is not present within half an hour from the time appointed for the Meeting the Members present shall be a quorum.

21. The chairman may, with the consent of any Meeting at which a quorum is present (and shall, if so directed by the Meeting) adjourn the Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting other than the business left unfinished at the Meeting from which the adjournment took place. When a Meeting is adjourned for thirty days or more, notice of the adjourned Meeting shall be given as in the case of an original Meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned Meeting.

PART IV - Council and Committees

Elections to Council

1. For the purpose of the election of Fellows to the Council, the membership of the Institute shall be divided, having regard to their registered addresses, into the electoral constituencies described in Appendix 1 to these Regulations, and the number of seats on the Council for each constituency shall be as specified in that Appendix.

2. Elections to the Council shall be conducted in the following manner:

   (a) A voting paper containing the names of the candidates in alphabetical order and relevant instructions for voting shall be issued to every member with a registered address in the constituency concerned.

   (b) The voting paper shall be accompanied by a statement, in respect of each candidate also in alphabetical order, including:
the full time occupation of the candidate, or if retired the most recent occupation and date of retirement;

the names of the six Members who have nominated the candidate; and

such other particulars as may be prescribed by the Council from time to time.

(c) Each Member shall have as many votes as there are vacancies to be filled in the constituency in question, and may cast such votes by returning the voting paper in accordance with the requirements specified on it or by voting online if such facility is provided, by the specified closing date, provided that no Member shall vote by both means.

(d) Votes in elections shall be counted, and results determined, by an independent body appointed by the Institute for this purpose.

(e) In the event of a tied vote, a further election, involving only the tied candidates, shall be held.

(f) The accidental omission to issue a voting paper or papers to, or the non-receipt of such paper or papers by, any Member, or the non-receipt of a vote or votes, shall not invalidate any election.

Council meetings

3. The quorum for meetings of the Council shall be one quarter of the total number of members of the Council for the time being. All other matters of procedure for Council business and meetings shall be set out in Subordinate Documents.

Trustees

4. The Council may appoint any person or persons to be Trustee or Trustees for any of the purposes of the Institute, as the Council may determine. Any such Trustee or Trustees shall be appointed and may be removed by the Council, and shall have such powers and indemnities, and perform such duties, and be subject to such requirements as the Council shall determine.

5. In any case where the Council think fit, investments may be made in the name of a Trustee or Trustees instead of in the name of the Institute. Any corporate body may act as such Trustee.

6. The accounts of any Trustee may be settled and allowed, or disallowed, either wholly or in part, by the Council. A Trustee becoming bankrupt or compounding with his creditors or, if a Member, being found guilty of dishonourable or unprofessional conduct or a breach of the Laws of the Institute shall, by that fact, be disqualified from acting as, and shall cease to be, a Trustee.

Committees and Boards

7. There shall be an Executive Committee which shall have authority subject to the directions of the Council, to exercise the powers of the Council (except the power to
make Regulations and such powers as may be specifically delegated to some other committee or body and such powers as the Council may by resolution prohibit them from exercising). At the first meeting of the Council following each Annual General Meeting, the Council shall appoint the Executive Committee in accordance with the following Regulation.

8. The Executive Committee shall consist of the President, who shall be the Chairman at any meeting at which he is present, the other honorary officers, the Chairmen of such of the committees created under these Regulations as the Council may from time to time determine, and such other members of the Council or other persons as the Council think fit to appoint. The maximum membership of the Executive Committee shall not exceed thirteen or half of the total number of members of the Council, whichever is the fewer, and seven shall form a quorum.

9.
