Under this fast track programme, interested or successful applicants will only sit for the last paper of the CIMA qualification. Upon successful completion of this paper and with the relevant work experience, the applicants will qualify for CIMA membership and earn the professional global designation of Chartered Global Management Accountant (CGMA) conferred by CIMA and the American Institute of Certified Public Accountants.

Successful applicants who are accepted into the ISCA-CIMA Pathway will attend a workshop conducted by SAA-GE. The workshop prepares applicants for the last paper of the CIMA qualification - a three hour case study exam. Refer to www.saage.edu.sg for more information.

The exam primarily involves the application of strategic management accounting techniques to analyse, recommend and support decisions.

Applicants are expected to sit for the computer-based CIMA exam starting in 2015.

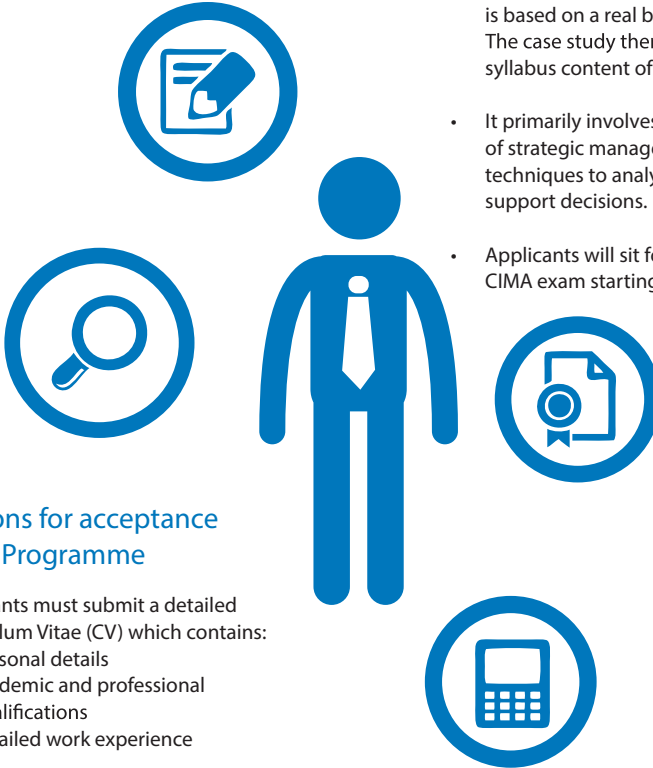

ISCA-CIMA PATHWAY

- 1** Applicant submits a detailed CV. CIMA reviews the CV, interviews and admits the applicants into the ISCA-CIMA Pathway.
- 2** Applicant registers as a CIMA student and files application for CIMA membership.
- 3** Applicant attends a workshop to prepare for the CIMA Strategic Case Study Exam, and sits for the exam in 2015.
- 4** With a successful membership application and completion of the exam, applicant obtains Associate Chartered Management Accountant (ACMA) and Chartered Global Management Accountant (CGMA) designations.

Selection criteria

- Only open to members of ISCA who are CA (Singapore) with 3 years full membership.
- Applicants must be based in Singapore.

CIMA Strategic Case Study Exam

- The Strategic Case Study Exam is based upon a case study that is set within a simulated business context relating to one or more fictionalized organisations.
- The context described in the case study is based on a real business or industry. The case study therefore has no specific syllabus content of its own.
- It primarily involves the application of strategic management accounting techniques to analyse, recommend and support decisions.
- Applicants will sit for the computer-based CIMA exam starting in 2015.

Conditions for acceptance into the Programme

- Applicants must submit a detailed Curriculum Vitae (CV) which contains:
 - personal details
 - academic and professional qualifications
 - detailed work experience
- All related work experience for CIMA membership must be filed before attempting the CIMA exam.
- The CIMA exam should be attempted within 12 months upon registration with CIMA.

2015 Fees*

- The following fees are payable:

- Registration fee as a CIMA student	GBP 75

The more volatile, uncertain, complex and ambiguous our world becomes, the more society needs corporations to have CFOs at the helm who have great values, high standards and strong technical skills. These will be borne of personal integrity but hugely underscored by being part of a profession. Where too often in modern life there is a deficit of trust, we need to be 100% trustworthy. In this way we serve our shareholders and we serve society.

James Bruce, FCMA, CGMA
